Chapter 1: How to add Month

Step 1: LE-1 (Form-20/SME/Form-38 ANFO license). Login into SETT system using your existing ERS's user id and password through following screen.

The login screen for the PESO System for Explosives Tracking & Tracing (SETT). It features the PESO logo and the text "System for Explosives Tracking & Tracing (SETT)". On the left, there is an "Important Note!" section and a "Useful Links" section. On the right, there is a "Login" section with fields for "Username" (containing "nakuul40") and "Password" (containing "*****"), a "Login" button, and a "Sign up (Create New Account)" link. At the bottom right, there is a "copyright ©2018 PESO disclaimer" link.

Step 2: After successfully login, following screen will appear with a menu "RE-2 for Manufacturing"

Step 3:After click on “RE-2 for Manufacturing” menu following screen will appear showing all registered LE-1 Doc Nos, click on “Doc No”. In this screen.

Step 6: If you want to fill the NIL return (means no manufacturing) then you can select Active MR/QR as "No". After successful Month addition following screen will appear. Now month is successfully added.

Chapter 2: How to Add RE-2 ERS Entry

Step 1: LE-1 (Form-20/SME/Form-38 ANFO license). Login into SETT system using your existing ERS's user id and password through following screen.

The login screen features the PESO logo and the text "PESO System for Explosives Tracking & Tracing (SETT)". On the left, there is an "Important Note!" section and a "Useful Links" section. On the right, the "Login" section includes fields for "Username" (containing "nakul40") and "Password" (containing "*****"), a green "Login" button, and a link for "Sign up (Create New Account)". At the bottom right, a copyright notice reads "copyright ©2018 PESO disclaimer".

Step 2: After successfully login, following screen will appear with a menu "RE-2 for Manufacturing"

Step 3:After click on "RE-2 for Manufacturing" menu following screen will appear showing all registered LE-1 (Form-38) Doc Nos and click on "Doc No".

E/HQ/MH/20/7

Please note that once 'Monthly Return' is uploaded, the system will not allow you to change any data pertaining to Month (September) 2018

Brand ID	Brand Name	Class	Division	Sub Division	Manufactured Quantity	Unit
574	SUPERCOAL-3	2	0	0	110	Kg.

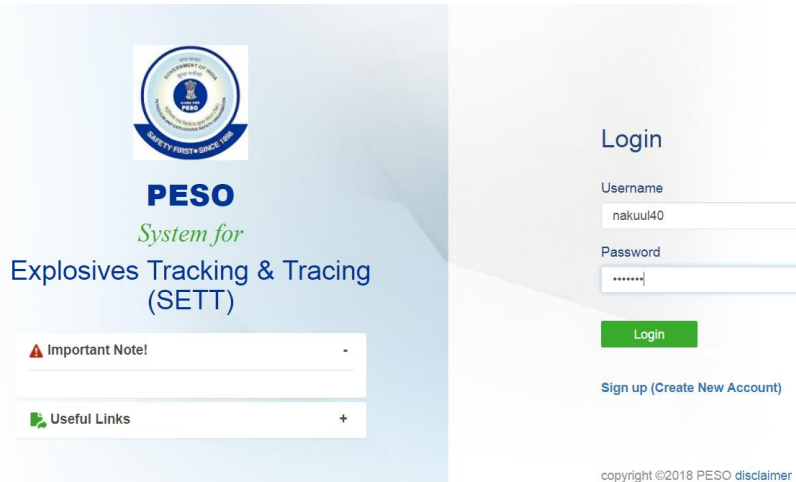

You are Uploading RE-2 after the 5th Day of next Month.! That is Late submission of RE-2.

Upload

Once you use this option and upload Monthly Returns, the Monthly return will be finalized and after that you cannot change any entry You will get an **acknowledgement** after you upload. Please print the same.

Chapter 6:How to Update Profile

Step 1:LE-1 (Form-20/SME/Form-38 ANFO license). Login into SETT system using your existing ERS's user id and password through following screen.

The screenshot displays the login interface for the PESO SETT system. On the left, the PESO logo is shown above the text "System for Explosives Tracking & Tracing (SETT)". Below this, there are two expandable sections: "Important Note!" and "Useful Links". On the right, the "Login" section contains input fields for "Username" (with the text "nakuul40") and "Password" (with masked characters "*****"). A green "Login" button is positioned below these fields. A link for "Sign up (Create New Account)" is located below the login button. At the bottom right, a small copyright notice reads "copyright ©2018 PESO disclaimer".

Step 2: "User Profile" menu. You will get this option after clicking on downward arrow beside the user name.

The screenshot displays the PESO System for Explosives Tracking and Tracing dashboard. At the top, a header bar contains the system name, a welcome message for 'M/s. Solar Industries India Limited', and a 'Logout' button. A red arrow points to a dropdown menu next to the user name, which lists 'User Profile' and 'Sett Standardization'. The main dashboard area is titled 'Dashboard' and includes a section for 'Important Action Items' with eight buttons for various stages (RE 2, 10, 11, 8&9, 12, 7, 13, 8,9,12). Below this, there are tabs for 'Stock Report' and 'Sales Report', with 'Stocks' selected. A 'Brand Wise Report' section shows a bar chart for 'Month Wise Production of Year 2018' with data points: 50, 25,175, 50,000, and 25,000. A summary box on the left indicates '24,000 Kg' of 'Supreme Seismic Detonators'. On the right, an 'Alerts' section lists two critical items: 'E/HQ/MH/21/318 Licence Expiring 32 Days!' and 'Solar Instantaneous Aluminium Electric Detonators (CI6(3)) 2 Boxes Broken!', along with another alert for 'Solar Instantaneous Electric Detonators (CI6(3)) 2 Boxes Short!'.

copyright ©2018 PESO disclaimer

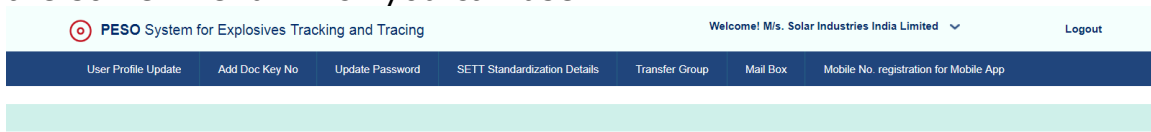

Step 2: First of all you have to add all your LE-1 (Form-38) licenses in your profile through "User Profile" menu. You will get this option after clicking on downward arrow beside the user name.

The screenshot displays the PESO System for Explosives Tracking and Tracing dashboard. The top navigation bar includes the system name, a welcome message for M/s. Solar Industries India Limited, and a Logout button. The dashboard features a search bar, a section for Important Action Items with various RE (Return Entry) buttons for Manufacturing, Purchasing, Selling, Using, Exporting, Importing, Returns, and Accepting, and a section for Alerts listing expiring licenses and broken/short boxes. A red arrow points to the downward arrow next to the user name in the top navigation bar, which has opened a dropdown menu with options for User Profile and Sett Standardization.

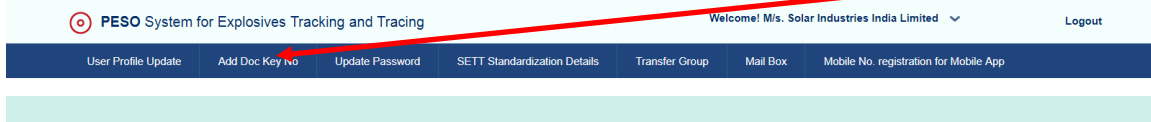

Dashboard Overview:

- System:** PESO System for Explosives Tracking and Tracing
- Welcome:** M/s. Solar Industries India Limited
- Logout:** [Button]
- Search:** [Input Field]
- Important Action Items:**
 - RE 2 for Manufacturing
 - RE 11 for Purchasing
 - RE 12 for Selling
 - RE 13 for Using
 - RE 10 for Exporting
 - RE 8&9 for Importing
 - RE 7 for Returns
 - RE 8,9,12 for Accepting
- Alerts:**
 - E/HQ/MH/21/318 Licence Expiring **32 Days!**
 - Solar Instantaneous Aluminium Electric Detonators (CI6(3)) **2 Boxes Broken!**
 - Solar Instantaneous Electric Detonators (CI6(3)) **2 Boxes Short!**
- Brand Wise Report:**
 - 24,000 Kg
 - Supreme Seismic Detonators
- Month Wise Production of Year 2018:**
 - 50
 - 25,175
 - 50,000
 - 25,000
- User Profile Dropdown:**
 - User Profile
 - Sett Standardization

Step 3:After click on “User Profile” following screen will appear. There are some menu which you can use.

Step 4:For Adding the Doc No to the profile click on “Add Doc Key No”.

Step 5:After click on “Add Doc Key No” link following screen will appear.

The screenshot shows the PESO System for Explosives Tracking and Tracing interface. The top navigation bar includes the system name, a welcome message for 'M/s. Solar Industries India Limited', and a 'Logout' link. Below this is a menu bar with options: 'User Profile Update', 'Add Doc Key No', 'Update Password', 'SETT Standardization Details', 'Transfer Group', 'Mail Box', and 'Mobile No. registration for Mobile App'. The main content area is titled 'New Doc key Registration Form'. It contains two input fields: 'Licence Form No :' with a dropdown menu showing options 'LE-8 (Import or Export)', '--Select Any Form--', 'LE-3 (Old Form 21)', 'LE-3 (Old Form 22)', and 'LE-8 (Import or Export)'; and 'Valid Doc key No.' with a text input field. A 'Get Details' button is located to the right of the input fields. A red arrow points from the 'Get Details' button in this screenshot to the 'Get Details' button in the next screenshot.

Step 6:In this screen select Licence Form No as “LE-1 (Old Form-38 ANFO)” and enter Doc Key No and click on “Get Details” button.

The screenshot shows the PESO System for Explosives Tracking and Tracing interface. The top navigation bar includes the system name, a welcome message for 'M/s. Raigad Enterprises', and a 'Logout' link. Below this is a menu bar with options: 'User Profile Update', 'Add Doc Key No', 'Update Password', 'SETT Standardization Details', 'Transfer Group', 'Mail Box', and 'Mobile No. registration for Mobile App'. The main content area is titled 'New Doc key Registration Form'. It contains two input fields: 'Licence Form No :' with a dropdown menu showing options 'LE-3 (Old Form 22)', 'LE-1 (Old Form 38 ANFO)', and 'LE-8 (Import or Export)'; and 'Valid Doc key No.' with a text input field containing 'E12345'. A 'Get Details' button is located to the right of the input fields. Two red arrows point from the 'Get Details' button in this screenshot to the 'Get Details' button in the previous screenshot.

Step 7: After click on "Get Details" button following screen will appear. Following screen displays details related to Doc No of LE-1 (Form-38). Enter Verification text and click on "Add New Doc Key No".
